

Finance for Furniture and Fit Out

A great finance solution if you are looking to renovate or move premises

For many organisations, an office renovation or relocation represents one of the largest investments they will make. Often, one of the first thoughts is “How do we finance the project?”

Finance all aspects of an interior project

- Office furniture
- Fit out and renovation costs
- Audio visual and other infrastructure
- Dilapidation expenses
- HVAC, mechanical and electrical engineering
- Office partitioning, floors and ceilings

Enjoy the benefits of leasing

- Significant tax benefits
- Flexible rental terms over two to five years
- Pay for the interior project over its useful life
- Preserve existing lines of credit
- Leasing makes monthly budgeting easier
- Do not compromise your interior project due to budget constraints
